Houston Chapter

Summer 2018

Dear Friend,

The United Nations Association-USA Houston Chapter (UNA-Houston) cordially invites you to participate in and sponsor **Houston's Annual United Nations Day Celebration**. This event will be held Wednesday, October 24th, 2018 at The Junior League of Houston. This year's program theme, "**Human Rights Start at Home**," commemorates the 70th Anniversary of the Universal Declaration of Human Rights.

The annual UN Day Celebration brings together community and business leaders, diplomats, academics and other active citizens to recognize the role our UN plays in assisting the global community to advance peace and justice worldwide. The evening begins with a 6-7 pm reception followed by a 7-9 pm dinner program with cultural entertainment, participation by local elected officials, Houston's Consular Corps, and honoring local individuals for their leadership in supporting Human Rights and the 'Global Goals.'

UNA-Houston is a local 501(c)(3) non-profit, nonpartisan organization dedicated to educating, inspiring and mobilizing Americans to support the principles and vital work of the United Nations, strengthening the United Nations system, promoting constructive United States leadership in that system and achieving the goals of the United Nations Charter. UNA-Houston's programs educate the public about Global Goals, international issues, conflict resolution, cultural understanding and encourages individuals to make a global impact at the local level.

Your UN Day 2018 sponsorship will support Global Classrooms, a program implemented in partnership with middle and high schools throughout the Houston area where students explore current world issues and cultivate literacy, life skills and attitudes necessary for active citizenship. This program culminates with a spring Model UN Conference where students can apply the knowledge, presentation and debate skills learned throughout the school year.

A Sponsorship Opportunity package is attached. Thank you for your consideration!

Sincerely,

Dan Stoecker
President, UNA-Houston
